BACKGROUND

A petition for certification was filed on December 7, 1983 by the Governor Wentworth Administrative Team for a unit consisting of 14 administrators, all of whom are supervised by the Superintendent.

A hearing was held in the Board's offices in Concord on January 5, 1984 at which time Counsel for the District expressed some concern that several of the directors fell under the supervision of the principals.

Spokesperson for the Team submitted documentation on the history and relationship between the Superintendent, School Board and Administrative Team.

DECISION AND ORDER
